

Test Document

This is a sample Markdown document to test the Pandoc PDF extension.

Features

- **Bold text**
- *Italic text*
- Code snippets
- Links

Lists

1. First item
2. Second item
3. Third item

Unordered List

- Item one
- Item two
- Item three

Code Block

```
function hello() {  
  console.log("Hello, World!");  
}
```

Math (if supported)

Inline math: $E = mc^2$

Block math:

$$\int_{-\infty}^{\infty} e^{-x^2} dx = \sqrt{\pi}$$

Conclusion

This document tests various Markdown features that should be properly converted to PDF.
